

Dear Preschool families,

It's hard to believe that April is here. Thank you to our Early Childhood PTO for providing Nelson and Animal Safari here at the preschool today, what an amazing show he always provides us!

Vision screening will take place next week, if you have a child who is aged four they will have a vision screening from the Oakland County Health department while they are at school. Vision screening is a Kindergarten entry requirement.

Kindergarten and Transitional Kindergarten registration is currently in process, if your child is headed to Elementary School this fall it is important that if you haven't registered your child yet that you do! Registration information can be found at.....

<https://www.clawsonschools.org/>

Don't forget that ALL tuition payments are due in FULL by Monday May 1st.

Other upcoming date reminders.....

Monday, April 15th - April's monthly tuition is due.
