Clawson Public Schools Student Chromebook Acceptable Use Agreement

The Equipment: One (1) Device and related accessory (Charging Cable). The student/parent will hold no security or ownership interest in the equipment. The School will maintain ownership of the Equipment during the Agreement Term.

Agreement Term: The school will loan the Equipment to the student on the date stated below. The student will not share the device with anyone. The Device will be returned in good operational order and condition. This agreement term is from the date of signing the user agreement to the time the district requires it's return. At any point during the agreement the device may be required to be turned into the district technology department for reimaging, troubleshooting and/or preventative maintenance.

Device Use: The Device is to be used and operated only by Clawson Students. When not using the device, the student/parent is responsible for the storage and security of the equipment. The device is intended to be used for the purpose of student coursework and school related matters. The student will engage only in activities related to the academic purpose of Clawson Public Schools.

Loss or Damage: The student/parent agrees to take full responsibility for any damage or loss of the device while in use at school or at home. Students will receive two (2) free repairs for any accidental damage during their time with Clawson Public Schools. Any damage beyond the two free repairs will be a charge of $50 each. If a device is lost or damaged beyond repair, there will be a $250 charge for replacement of the device. Lost charging cables will have a replacement cost of $35. Any warranty repair will be no charge and will not count as one of the free repairs.

Device Need: By accepting this district provided Device, the student/parent confirms that they would otherwise be unable to adequately engage in school work that requires online learning resources and completing school work on time.
