CLAWSON PERFORMING ARTS BOOSTERS

WHO WE ARE AND WHAT WE DO

The Clawson Performing Arts Boosters (CPAB) is an organization of parents and community volunteers dedicated to making our student’s experience in Band, Orchestra, Choir and Drama as rewarding as possible. If you have a student in the program – you are a member! Through our volunteer efforts, we are able to supply many of the extras needed to implement a successful performing arts program which would otherwise not be possible because of limited district funding such as instrument purchases, replacements and repairs; sheet music; financial assistance to students for private lessons; and major equipment purchases such as the equipment trailer, microphones and music stands. We also sponsor scholarships at the end of each school year for Performing Arts graduating seniors.

The CPAB also provides fundraising opportunities so students can raise funds for the Booster escrow accounts and to help cover the cost of educational trips that Performing Arts members take every other year. We plan on doing several fundraisers this year, so be sure to look for the information.
