Parents and Students - Why join the CHS PTSA?

Clawson High School Parent Teacher Student Association (PTSA) We try to help the students and teachers as much as we can. A few highlights of what we provide are listed below:

*We give scholarships to seniors! All seniors who are members by February 1st, 2020 will be eligible to win a $250.00 scholarship. If your child isn’t a senior, becoming a member now increases their chances of getting a scholarship when they become a senior. For every year your student is a member, PTSA will put their name in the drawing for a scholarship. So that means if your child was a PTSA member all four years, their name will be put in the drawing 4 times when they are a senior. The last three years, PTSA was able to give up to $5000 in scholarships!

- Additionally, PTSA often supplies materials to supplement classroom activities
- Sponsored a school wide Anti-Bullying assembly
- Supported the teachers during parent teacher conferences by providing dinner
- Ran the concession stand at the sporting events at City Park

Becoming a member does not mean you have to go to meetings or volunteer, but we could always use more help. The **10.00 per person membership fee** helps us help the school. By attending meetings you can receive information on what is happening in the school and share ideas. Thanks for your support of Clawson High School!!!

2019-2020 meeting dates are at 6:30 in the Media Center and are as follows:

Please complete the information below and drop it off at the main office with your $10.00 per person membership fee. Checks should be made out to CHS PTSA. If you have more than 1 student you can add them to this form or fill out another one. Thank you!
