Welcome Clawson 9th Grade Students and Parents!

Now is the time for members of the Class of 2023 to start thinking about how important their first year of high school is for making sure they graduate and begin to prepare themselves for a successful future. Therefore, it is imperative that Freshmen attend:

9th Grade Nation Orientation  
(Only Students Attend Event)  
Clawson High School  
9 a.m. until 3 p.m.  
Monday, August 26th

9th Grade Nation is an opportunity at Clawson High School that symbolizes how all 9th grade students are entering an exciting and important phase of their life — high school. 9th Grade Nation is a program designed specifically to ensure a seamless transition for students into high school. Students will participate in dynamic activities led by teachers and upperclassmen, as well as have an opportunity to meet and hear CHS Administration as they help get you ready for September.

FRESHMEN! It’s your time to shine. The focus is on you. We want your high school experience to be meaningful and rewarding. Come meet the teachers and your classmates. Learn your way around the school. Get your class schedule and locker!

In order to receive your class schedule, you will need to complete The Annual Online Registration Process

The Online Registration Process will Open on Thursday, August 15th

If you have never done so, please be sure to log into MISTAR Parent Portal and test your login. If you don’t know your login information, please click the link “need my login information”. The system will email your pin and password to you. If you do not have an email address on file with Clawson Schools, please contact Jill LaPine, Enrollment Secretary at 248.655.4417.

Once logged into MISTAR Parent Portal - click on: Annual Registration and complete the online registration process

School pictures will be taken and lunch will be served during 9th Grade Nation Orientation.

We will see you at 9:00 a.m. on Monday, August 26th!
