

## **Welcome to Clawson Schools GSRP program.**

We look forward to working with you and your family to make the application process as streamlined as possible. Once your application is complete with supporting documentation, you will receive a letter from us acknowledging receipt of your application.

Classroom teacher assignments are completed in the summer. If you qualify for our program, your teacher assigned to your child will contact you in late summer to set up a time to meet with you. The first day of school for the 2023-24 School year is Monday, September 11, 2023.

Please don't hesitate to contact us if you have any questions regarding the application process and any required documentation.
